Dear Parents,

Greetings! I hope that you are keeping well. With the gradual rise in Covid cases, we need to remind ourselves of the various Covid protocols and reinforce them. Kindly take note of the following points.

- a) The classrooms and the entire school premises are sanitised everyday. Please ensure that your ward wears a mask at all times and he carries a spare one in his bag. **NO MASK and NO ENTRY** to the school and classrooms as well.
- b) If your ward is unwell, please do not send him to school. Should there be a Covid positive member in the family, kindly ensure that you do not send your son to school.
- c) Please instruct your ward not to share stationery, tiffin, etc with any of his class mates.
- d) There are hand sanitizers located at various points in the school. Kindly encourage your son to use them.

Thank you for your constant support and cooperation in helping the school to function smoothly.

God Bless you always.
